

MAGEE GAMMON
CHARTERED ACCOUNTANTS
TAX & BUSINESS ADVISORS

Working with **YOU**, not just for **YOU**

WHO WE ARE ...

In addition to traditional accountancy services we offer focused business and tax strategies together with profit improvement planning to help our clients fulfill their business and personal goals.

As a proactive firm our whole team is committed to offering the highest level of service to our clients in order to provide them with bespoke business services and specialised advice specifically tailored to their professional and/or personal needs, which include but is not limited to, **tax planning, profit improvement strategies, business development and inheritance tax advice as well as succession planning.**

Based in Ashford, Kent, Magee Gammon is one of the most prominent and well respected independent firms of Chartered Accountants in Kent and has been assisting businesses and individuals since 1992.

We have achieved this by consistently providing an exceptional service to our clients, recommendations, by other professionals and building long term relationships within the business community.

As a six partner firm, assisted by a strong and experienced team of qualified individuals, we have a wealth and breadth of knowledge across all business accounting and taxation disciplines.

The majority of our clients are based in Kent and the South East of England. With the advancement of technology we can and do deal with clients in various parts of the country, in an efficient and effective manner.

BESPOKE TO SUIT YOU AND YOUR BUSINESS...

We understand business and appreciate that each enterprise faces its own unique challenges, particularly in today's constantly changing economic environment.

That's why we tailor our accounts services to suit the specific needs of each business with whom we work. We take a pragmatic and proactive approach to help you fulfill your professional and personal goals by offering focused business and tax strategies together with profit improvement planning if required. Our services also include advice for Charities and Non Profit Organisations as well as all the services listed below.

Call us now for a free initial consultation.

SPECIALIST IN-DEPTH KNOWLEDGE IN VARIOUS INDUSTRY SECTORS...

Challenging economic conditions, fierce global competition and cost pressures have made it extremely difficult for all industry sectors to maintain margins and remain competitive, that's why we invest a considerable amount of time ensuring we are up to date with issues relating to these sectors enabling us to understand the problems that may be faced.

Our team has considerable experience helping a diverse range of businesses, ranging from small owner-managed businesses to larger companies offering nationwide coverage. We can offer you a full range of services tailored to your specific requirements and designed to keep your business running efficiently and cost effectively.

INDIVIDUAL TAX SERVICES...

One size doesn't fit all, that's why we take time to listen, so we can offer a service tailored to suit your circumstances, within a reasonable budget.

We offer a complete range of tax and accounting services for individuals and corporations, from completing your tax return to providing help and advice on how to ensure assets are passed to the next generation in the most efficient way - our specialist advisers are here to help you.

PERSONAL TAX

There are many aspects that impact on the overall income tax liability of an individual.

We are able to look at an individual's personal and family circumstances and advise on; dividends & salary, benefits in kind, pension contributions & savings & investment income.

CORPORATION TAX

Corporation Tax is based on the profits your business makes, and the rate depends on how much profit is generated.

We can advise and guide you through the whole process in the most pain free and tax efficient way ensuring you complete peace of mind.

INHERITANCE TAX

(IHT) - Estate and Inheritance Tax planning is vital to ensure that accumulated wealth is passed on from one generation to the next in the most tax efficient way.

We can help with a variety of services ensuring you retain the maximum value for your family and loved ones.

CAPITAL GAINS TAX

Capital gains tax (CGT) is a tax on the increase in value of your possessions - such as a second home, antiques or shares - during the time you have owned them.

We can assist and advise you on all matters in relation to CGT.

For more information on any of the services above give us a call now or visit our website.
